SUBJECT INDEX

Appliance service and repair 89
Aromatic rice in Asia, preference of 199
Beef, consumer acceptance of 375
Beef, control of lipid oxidation in 293
Children handling money 33
Computers, ownership of 77
Consumer acceptance of beef 375
Consumer bankruptcies, courses and effects 229
Consumer credit search behaviour 207
Consumer goods, packaging and design 51
Consumer interest groups 331
Consumer knowledge 283
Consumers rights and legal protection, Americans' knowledge of 283
Consumers' willingness to pay 119
Consumption, hidden costs of 273
Credit card usage 19
Entertainment products, ownership of 77
Evaluation of fabric handle, use of repertory grid techniques 161
Goat's, sheep's and cow's milk, acceptance of 129
Household production, satisfaction 363
Innovation and product ownership 77
Japan, vegetable intake in 317
Life-time income, Denmark 303
Lipid oxidation in ground beef 293
Marbling in beef, different levels of 375
Media usage, influence of demographics and psychographics 179
Microwaves, ownership of 77
Money-off coupons 389
Nutritional composition 97
Packaging and design 51
Packed lunches and school meals, nutritional composition 97
Poverty status and expenditure patterns 245
Price and profitability 71
Produce prices in Costa Rica 109
Product variety 345
Professional development, needs of international students 261
Quality assurance and consumer protection 1
Response to advertising messages 167
Service consumers, perspectives of 139
Student evaluation of teaching 63
Turkey and Jordan, packaging and design of consumer goods 51
U.K., vegetable intake in 317
Vegetable intake, Japan, U.K. 317
Washing quality of surfactants 151
Water hardness, effect on washing performance 151
Wife's employment 9
